

Skyline

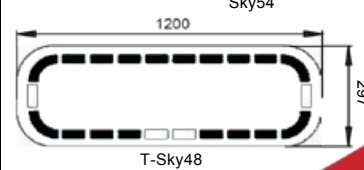

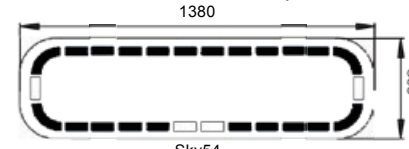

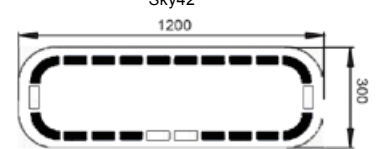

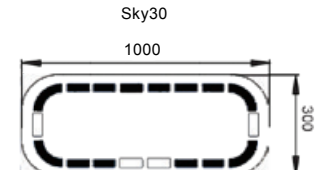

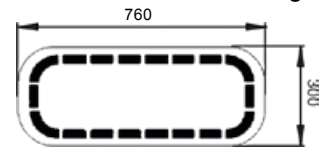

Led Lightbar
Full-aluminum housing, Reflex
technology design, 30mm thickness

ITEM: 011301 010101 010201
010301 010701

- High intensity 3W LEDs
- LED Light Bars, Mini LED Light Bars
- High output LED reflector technology
- Extreme performance in a package under 1.2" high
- Easy to change the modules by releasing 2 screws
- Fully encapsulated waterproof housing: IPX7
- Wide angle lens for better warning
